ROAD GAS COMPANY, INC., FOR AN	)	CASE NO. 9318
INCREASE IN GAS RATES	)	

O R D E R

On March 7, 1986, the Commission entered an Order requiring Auxier Road Gas Company, Inc. ("Auxier") to file by March 14, 1986, or within 2 weeks of the date of that Order, information regarding the Cliff transmission line. A review of the March 7, 1986, Order reveals a typographical error in that the due date for the requested information should be March 14, 1986, or within 1 week from the date of that Order. It was the Commission's intent to give Auxier 1 week in which to provide the information requested and to give the Commission staff sufficient time prior to the hearing scheduled for March 21, 1986, to review Auxier's responses.

IT IS THEREFORE ORDERED that the Commission's March 7, 1986, Order requesting information be and it hereby is modified to the extent that Auxier shall file its responses by March 14, 1986, or within 1 week after the date of the March 7, 1986, Order.

Done at Frankfort, Kentucky, this 10th day of March, 1986.
